

ANTIQUÉ APPRAISAL EVENT

Have you ever wondered if that garage sale item or the heirloom from grandma's attic is a true treasure? Now you have the chance to find out, for sure. Is it worth \$10 or \$10,000?

On Saturday, October 22, from 12:00 noon-4:00p.m. visit a group of professional antique appraisers in the Commons Building at Penney Retirement Community, 4390 Wilbank Avenue, Penney Farms and have your questions answered. Long time antique appraiser and estate auction expert, Barbara Langston, will head a team of specialists to review and appraise your treasures.

A donation of \$5, per item, is requested and individuals are limited to three items each. In addition to generalists in antiques there will be specialists in glass, china, jewelry, military collectables, coins and Asian artifacts.

The Antique Appraisal event is jointly sponsored by the J.C. Penney Memorial Scenic

Highway and the Marketing Department of Penney Retirement Community. All proceeds will benefit the J.C. Penney Memorial Scenic Highway.

Please support our first fundraising event and thank these fine appraisers for donating their time and talents.
